Fran's Philosophy

"I have a very basic and simple philosophy of the game. I BUILD GAMES FROM THE GROUND UP, similar to the construction of a building. It is a methodical step by step process of teaching. I start with the strokes (foundation), then build up to strategy/court position (frame), then add the serves/service returns (roof) and then add the finishing touches like mental/physical toughness (doors, windows, accessories)."

***Fran is also available for private lessons on Thursday morning December 8, 2022. Email Fran directly for pricing and availability Fran@FranDavisRacquetball.com**
